

Friends' Discount

- For every friend who completes a ride, both you and your friend will receive €25 driving credit.
- To qualify, your friend must create an account in the app and complete their first ride.

Conditions for the Friend's Discount

- The Friend's Discount is only valid if your friend signs up using your personal referral link.
- Your friend must not already have a MyWheels account.
- Each new MyWheels user can only receive a Friend's Discount once from another user, but they can invite friends themselves to earn additional credit.

Issuing of Driving Credit

- Your friend's driving credit is automatically applied to the price of their first ride.
- You will receive your €25 credit within 24 hours after your friend completes their first ride.
- This credit is automatically applied to your next ride and cannot be used for subscription fees.
- Driving credit cannot be exchanged for cash.
- If an account is closed or blocked, any accumulated driving credit may be forfeited.

Eligibility

- The Friend's Discount applies to friends who sign up for a consumer or self-employed (ZZP) account.

Restrictions and Misuse

- Sharing your personal Friend's Discount referral link publicly (e.g., on websites or via search engines) is not allowed.
- MyWheels reserves the right to exclude you and/or your friends from the promotion if misuse is suspected.
- Previously granted but unused credits may be revoked.

Changes to Terms

- MyWheels reserves the right to modify these terms or end the Friend's Discount promotion at any time without prior notice.
- Any changes will be communicated via the app or by email.

Final Notes

- These Friend's Discount terms and conditions are valid from August 1, 2025, until the promotion ends.

Dutch law applies to these terms and conditions.
